

Technology Committee Meeting Agenda
11/4/2015 6:00PM – RM 9 (Jeana Alber's Room)

- Roll Call
 - Joe Burianek, Justin Gehring, Peter Irvine, Romelle Pornschloegl, Jacob Jensen, Nick Bornt, Max Haland, William Poor, Kassie Larson, Bertleson, Joey Place
- Business
 - **New: General Updates –**
 - New upgrades to phone system complete. More on this when we talk about Cell Phone Decisions.
 - Teacher Training In October went well.
 - Basics
 - Justin will work with John on getting this an annual event (maybe during back to school week and MEA).
 - Things not yet ordered that need to be ASAP:
 - JJ Should work with Justin on ordering these things tomorrow:
 - Printers For Admins (3)
 - Projector Bulbs
 - SPED Laptops
 - SMART Licenses Option 2
 -
 - **Purchase Decisions:**
 - SMART Software
 - Got Revised Quotes
 - ~~Option 1: 54/classroom annually (\$810/year) – 15 Classrooms~~
 - Option 2: \$135/classroom first year, \$25/year after that – Covers entire building and ALL machines. Would prefer this option. (\$3780/year, \$700/year after)
 - 2 Copy Machines For Hallways
 - See Attached Cannon Quote
 - We don't want to go through with this.
 - Total Building Wide Ink Costs: \$491.11/month? They want "replace" all our building wide printers with 2... at a cost of \$528/month
 - Not seeing a cost savings... and I personally think their cost per month average is high... If it isn't, then we may need to find a new toner vendor. Will follow up with Joell on it.
 - **Old Business: Cell Phones/Phones Discussion –**
 - Staying with Verizon.
 - Over 50% cost saving
 - **Old Business: Cycle Going Forward –** Ongoing Discussion
 - Justin's Tech Plan Version 1
 - Staff Laptops
 - No plans (LTS) for server replacement. If we go to staff laptops we probably won't need a server.
 - Focus on implementing SSD's into the student laptops for speed and performance.

- Talk to Samsung to try to get discount.
 - Work sort of like a fundraiser, parents would give ~\$50 and the student would get to install the SSD themselves and learn how the work. (similar to the Hour of Code last year).
 - Romelle will talk with Justin more about funding for this project.
- **Old Business: Technology 524 Review**
 - Tabled – Justin hasn't heard back from the other committee on if anything is needed at this time.
- Next Meeting
 - 1st Wednesday at 6pm (December 2nd) is the next meeting time.
- Adjourn
