### 801 EQUAL ACCESS TO CHARTER SCHOOL FACILITIES

***[Note: Under the federal Equal Access Act, any public secondary school that receives Federal financial assistance and which has a limited open forum may not deny equal access to students wishing to use the limited open forum. 20 United States Code section 4071.]***

#### I. PURPOSE

The purpose of this policy is to implement the Equal Access Act by granting equal access to secondary school facilities for students who wish to conduct a meeting for religious, political, or philosophical purposes during non instructional time.

#### II. GENERAL STATEMENT OF POLICY

- A. The policy of Math and Science Academy is not to deny equal access or a fair opportunity to, or to discriminate against, any students who wish to conduct a meeting, on the basis of the religious, political, philosophical, or other content of the speech at such meetings.
- B. The Math and Science Academy board has created a limited open forum for students enrolled in secondary schools during which non curriculum-related student groups shall have equal access and a fair opportunity to conduct meetings during non instructional time.
- C. Student use of facilities under this policy does not imply Math and Science Academy sponsorship, approval, or advocacy of the content of the expression at such meetings.
- D. Math and Science Academy retains its authority to maintain order and discipline on school premises, to protect the well-being of students and faculty, and to assure that attendance of students at meetings is voluntary.
- E. Math and Science Academy accords equal treatment of and access to all religions.
- F. In adopting and implementing this equal access policy, Math and Science Academy will NOT:
  - 1. influence the form or content of any prayer or other religious activity;
  - 2. require any person to participate in prayer or other religious activity;
  - 3. expend public funds beyond the incidental cost of providing the space for student-initiated meetings;

4. compel any Math and Science Academy agent or employee to attend a school meeting if the content of the speech at the meeting is contrary to the beliefs of the agent or employee;
5. sanction meetings that are otherwise unlawful;
6. limit the rights of groups of students based on the size of the group;
7. abridge the constitutional rights of any person.

### **III. DEFINITIONS**

- A. “Limited open forum” means that Math and Science Academy grants an offering to or opportunity for one or more non curriculum related student groups to meet on Math and Science Academy premises during non instructional time.
- B. “Meeting” includes activities of student groups which are permitted under a limited open forum and are not directly related to Math and Science Academy curriculum. Distribution of literature does not constitute a meeting protected by the Equal Access Act.

- D. “Secondary school” means any school with enrollment of pupils ordinarily in grades 7 through 12 or any portion thereof.
- E. “Sponsorship” includes the act of promoting, leading, or participating in a meeting. The assignment of a Math and Science Academy employee for custodial, observation, or maintenance of order and discipline purposes does not constitute sponsorship of the meeting.

### **IV. FAIR OPPORTUNITY CRITERIA**

Math and Science Academy shall uniformly provide that:

- A. Math and Science Academy must be nonsectarian in its operations. If Math and Science Academy allows religious or other activities on school property during non-instructional time, Math and Science Academy will allow equal access to all groups.
